The Row by Row Experience theme for 2019 is *Taste the Experience!* The Artistic Artifacts' row was not just to fit the theme, but fit into a collaborative quilt design by all participants of this year's Quilters' Quest Shop Hop!

Visit artisticartifacts.com/QuiltersQuest.html to learn more about this fall's Quilters' Quest, a free shop hop that encourages quilters and fabric fans to explore 10 different shops located throughout Maryland and Northern Virginia Reserve your seat on our October 18-19 bus trip, which will take you to each store — leave the driving to us!

The Artistic Artifact Kit Includes:

- Coffee-bean themed background fabric
- Laser-cut, and pre-fused "Artisan" and "Coffee" letters, "coffee cup" and "fresh brewed" starburst elements

Instructions:

- Following our photograph for placement, arrange your pre-fused elements in place. You are free to rearrange the pieces to your own liking!
- Once happy with the placement, fuse each letter and element in place on your background, which finishes to 36 in. wide and 9 in. high
- If you have not purchased our kit, enlarge and trace the various design elements (included on the reverse) onto your desired fabric, apply your choice of fusible, and cut and fuse into place.

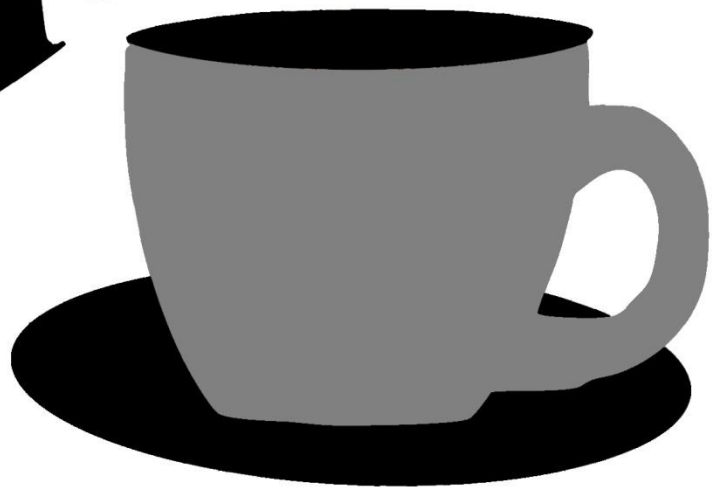

Note: When fusing we recommend using a Bo-Nash Amazing Sheet or a Goddess Sheet (large non-stick ironing/craft sheet, available at Artistic Artifacts), to protect your iron/ironing board.

Add our row to your other Row by Row completed rows, add batting and backing, and hand or machine quilt as desired. You may also add binding or finish our row with a pillowcase edge to create a table runner or wall hanging.
