

Westalee Beyond the Basics with Adele Scott: Honeycomb Template

This class is designed for those individuals who have taken **The Basics**. (note that **if you are taking The Basics** class the day before, you may leave your machine set up in the classroom overnight.)

Bring to class:

- **Westalee Design Rulers and Templates:**
 - Honeycomb Template
 - Circles on Quilts Set (2-12 in.) 4 piece set
 - Circles on Quilts Set (12-18 in.) 4 piece set
 - 12 in. Arc from Starter package
 - 12 in. x 12 in. 6 point Crosshair Square
- ½” Ruler Foot for your make and model of machine
- Straight-stitch needle plate (*optional* but helpful on some brands/models of machines)
- Portable acrylic quilters table (If you need to purchase, Sew Steady has a current special (see next page) that Artistic Artifacts can order for you, but orders **MUST** take place 6 weeks in advance of class)
- *Recommended*—A thick, firm cushion(s) such as a floating boat throw cushion to sit on to ensure you work at the correct height with the quilters table. Consider bringing your own adjustable height chair from home: the shop has a limited number of chairs where height can be adjusted
- “slider” sheet to allow for easy glide. Sew Steady has a new **Gridded Glider** made of sturdier material and with more features at an attractive price
- 90/14 Topstitch needles (bring several, and have a new one in your machine)
- “grippy” fingertips or gloves (*optional* but helpful)
- Crosshair marking ruler (6 point)
- Stable tape for rulers
- All-purpose polyester thread or 50wt cotton (suggest darker thread than the color fabric you choose) — bring several colors & types if possible
- Fabric markers that will show on your choice of fabric colors
- 2 (two) fat-quarter sized quilt sandwiches, one for practice and one for your finished project.
- If you'd like a different-colored frame/binding you may wish to bring a 1/2 yard of fabric. Or you can plan to bind or add to your block at home

Preparation in advance of class

1. Assure machine is in good working order, clean of any lint and oiled.
2. Prepare your quilt sandwiches. (If bringing additional sandwiches to explore additional designs and rulers if you complete your Honeycomb, Adele recommends using fat quarter size (18 in. x 22 in. to allow for greater space to practice in handling the rulers.
3. Use cotton batting and steam press together so you won't need any basting, pins etc.
4. Wind extra bobbins and have a new 90/14 top stitch needle in machine
